

# ACQUISITIONS

A professional approach to assist you in acquiring your chosen property.

## OUR SERVICE

A personal and professional approach to help you with your property purchase whether it be a home in which you have fallen in love or a buy to let investment. We can provide whatever level of service you may require ranging from simply providing an opinion upon location to valuation, negotiation and liaison with your legal advisers.

Services can include:-

- Location appraisal
- Property appraisal
- Dedicated report upon condition and valuation
- Negotiation
- Liaison through the conveyancing process

## WHY BROWN&CO?

We have the local and regional experience to provide a prompt, personal and professional service. We pride ourselves upon looking after people and property.

- Expert and approachable staff
- In-depth local knowledge
- Comprehension of market trends
- Personal support from a team of property professionals

## HOW YOU BENEFIT

The service is designed to help remove some of the stress and hassle involved in purchasing a property. Particularly for those emotionally involved in finding a new home for their family, or to give sound investment advice for those making commercial decisions on investment properties. Clients tell us they particularly value the fact that we stay in touch and are approachable. Working with a trusted team allows you to select and purchase your property with confidence in a more efficient manner.
