## **Directions to the Banbury Office**

### **By Road:**

From the M40 motorway, exit at Junction 11 and take the A422 towards Banbury. At the first roundabout turn right signposted to Banbury Gateway Retail Park then immediately left at the traffic lights into Wildmere Road. After approximately 300m as the road curves to the right turn left into Jugglers Close, after 100m turn left into Manor Park. The office can be found at the end of the road straight in front of you.

From roads entering Banbury north, south and west follow directions to the M40 [junction 11]. At the roundabout just before reaching the motorway junction turn left where signposted to Banbury Gateway Retail Park then follow directions as above.

### **Parking:**

Facing the front of the office, entrance door side, parking can be found to the front and to the right-hand side.

### **By Rail:**

Banbury has very good train links from London and Birmingham. The office is approximately 25 to 30 minutes walk from the station and a taxi service is recommended. If walking is preferred, as the route is somewhat convoluted, detailed directions can be provided upon request.
