

Not all defects are this obvious
You need a Home Survey...

RICS Home Buyer
RICS Building Survey
Building Survey Plus

You need a survey

- Your home is one of the most expensive purchases you make.
- You should know all you can about the property before you buy.
- Surveys are an 'MOT' for buildings.
- Having a survey will give you peace of mind.
- A survey could save you thousands of pounds.
- Homebuyers who do not commission a survey face an average of £5,000 of unexpected repairs.

Why instruct JHWalter ?

- Locally based chartered surveyors with local knowledge.
- Established in 1790.
- A professional team of Chartered Surveyors and Registered Valuers.
- Qualified surveyors who are members of the Royal Institution of Chartered Surveyors.

Common defects

No Conflict

As a professional firm regulated by RICS, we will not carry out Homebuyer reports on houses that we are selling. If you would like assistance to find a surveyor on one of our sales, please let us know and we will be happy to help.
